

Tawonga Legacy Society Letter of Intent Securing Tawonga's Future Today

INSTRUCTIONS

The purpose of signing a Letter of Intent is to express your current desire to help Camp Tawonga in the future. You are letting us know what kind of future gift you want to make, such as adding Tawonga to your will, taking out a Life Insurance Policy or making other provisions. We will send you reminders from time to time and you will let us know when arrangements have been made.

As an option, you can specify a dollar amount you hope to leave Tawonga, a percentage of your future worth, or other formula.

We know that your leadership will stimulate others to join the Legacy Society, so we are asking your permission to include your name online and in printed materials, like the "Tawonga Book of Life." However, you may opt to give anonymously.

By signing this letter, you are not obligating yourself. You are only declaring that you intend to make a future gift. You still must actually modify your will, add Tawonga to your Life Insurance as a beneficiary, and so on. Feel free to call us for guidance.
