“

Tawonga has taught me to love and appreciate myself and the world around me.

It is a place where I can relax and know that I am supported by a uniquely strong and compassionate community. I have made friends for life and had experiences I will always hold with me.”

– Mika Simoncelli, camper

Tawonga has helped build up my daughter's self-esteem, made her a happier person and given her another place to call home. Priceless!

– Jan Reicher, parent
