Financial Assistance applicants:

If you have requested financial assistance, you will have two weeks after being notified of your awarded amount to cancel due to financial circumstances and receive a 100% refund, including the \$100 deposit. After those two weeks, your refund and/or forfeit will be applied per the policy described above.

Multiple programs:

If your family is enrolled in multiple Tawonga programs and needs to cancel from a Summer Camp or Family Camp program but wish to remain enrolled in the other program(s), you will receive a refund as if it occurred in the previous cancellation tier. Any other fees you have paid will be applied to the other program(s).

Medical Cancellations:

With a note from your doctor, a medical cancellation will receive a refund as if it occurred in the previous cancellation tier.

If Camp Tawonga needs to cancel before the start of a program, you will have the option for a full refund.

If Camp Tawonga needs to cancel a program once it begins, we will do our best to provide your family with a full or partial refund; however, we cannot guarantee it at this time. For this reason, we strongly recommend that you consider purchasing trip insurance.

In the very unlikely event that we must send your child home early for a medical reason, we will do our best to provide your family with a full or partial refund; however, we cannot guarantee it at this time. For this reason, **we strongly recommend that you consider purchasing trip insurance.**

If your child needs to be sent home early for a non-medical reason, we do not provide refunds. Please see our Parent Camper Guidebook for more information about how we will support your child.
